Specialists in Cutting Tools
ALCA TOOLS LTD

SupplyPod

Small Size, Smart Price, BIG Control

The new SupplyPod from SupplyPro provides all of the control, reporting and order management of our larger Point-of-Use solutions in a compact footprint that can be placed virtually anywhere... and at an attractive low price!

SupplyPod's superior design, full feature set and ease-of-use removes any obstacle to managing and controlling smaller-sized tooling needs right at the work cell.

SmartDrawer Functionality in Less Space!

Key Features

- **Ideal for Smaller Parts**
 - Standard configurations are designed for smaller parts such as drill bits, inserts, taps, small tooling, fuses, switches, keys and much, much more!
- **Supports All Standard Features from Our Full Line of Point-of-Use Devices including:**
 - Take/return, check-in/check-out and serialization
 - Industrial design and durability
 - Automated orders and reporting
 - Custom allocation code tracking and dispense limits
 - Full access to information via SupplyPort and integration with ERP systems
- **Choose from three standard configurations**
- **No Repackaging Needed**
- **Simple Pick to Light Design for Ease of Use**
- **Simple, Fast Restocking & Administration with SupplyPro's Exclusive Rapid Refill**
- **Optional Dividers to Separate Parts in a Single Compartment**
 - Eliminate potential tool damage using dividers within a compartment and expand capacity to up to 228 compartments in a single SupplyPod
- **No Drop Zone – The Safest Dispensing**
 - No more worrying about expensive tooling dropping in a vending unit.
 - The SupplyPod's compartments are specially designed for easy take and return of the most delicate tooling and instruments

So How Big Is It?

18.50" W x 22" H x 14.35" D

*Perfect for table, desktop
or wall mounting*

Comes Table Mount-Ready
